Re: Missouri v. Douglass and Gaulter 18-285

Dear Clerk of the Court:

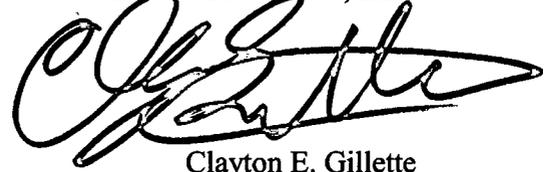

I write to request a 30-day extension of the deadline to file the Response Brief in Opposition to the State of Missouri's Petition for Writ of Certiorari, to and including December 21, 2018. Prior to this Court's Request for Response, Douglass and Gaulter instructed me not to file a Response in this matter. Since that time I have been unable to contact Douglass and Gaulter to obtain the Federal Appellate Form 4, such that their pleadings may be filed IFP. I represented Douglass and Gaulter without charge at the Supreme Court of Missouri and they will qualify to file IFP.

At this time I have not been authorized by Douglass or Gaulter to file a Response and cannot file a Response until I obtain such authority and a completed Federal Appellate Form 4.

I am a member of the bar of this Court (#307482), but have not yet been authorized to electronically file, as such I am mailing this letter to the Court.

Very truly yours,
